ORDER

In the reference 1st read above, the agency Transstroy- JSC "EC UES"- JV has requested the Government for considering the following issues and requested a just decision based on actual site condition and workings so that the correct compensation for the works being carried out by the agency is provided for smooth and timely completion of the Polavaram Irrigation Project.

1. Change in Zoning of spillway concrete works
 2. Consideration of the excavation work under different classifications
 3. Additional lead for transportation of the excavated material
 4. Consideration of true cost for concrete works
 5. The deployment of additional resources entails additional costs which need to be considered for compensation to mobilize and maintain such extra resources.
2. During the Virtual Review meeting No. 30 on Polavaram Irrigation Project dated. 26-06-2017, it has been decided to constitute an Expert Committee to examine the issues raised by agency and suggest suitable recommendations to the Government in the reference 2nd read above.
3. Accordingly, Government hereby constitute an Expert Committee as per the following composition to examine the above issues and suggest suitable recommendations to the Government for taking further necessary action in the matter.
